

Switch for a better tax solution

61%

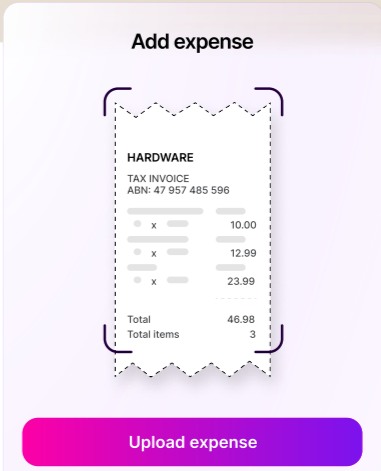

of Aussie businesses spend time re-checking figures when moving between apps.* Let's get you those hours back.

Maximise what you can claim back

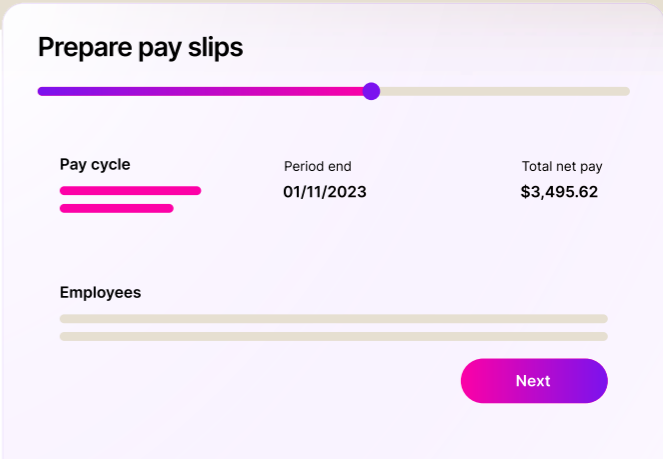

Easily track your expenses, stay compliant, and keep your costs down come EOFY. You can also connect your bank to MYOB and reconcile as you go.

Tip: Did you know, MYOB Business can be a tax deduction?

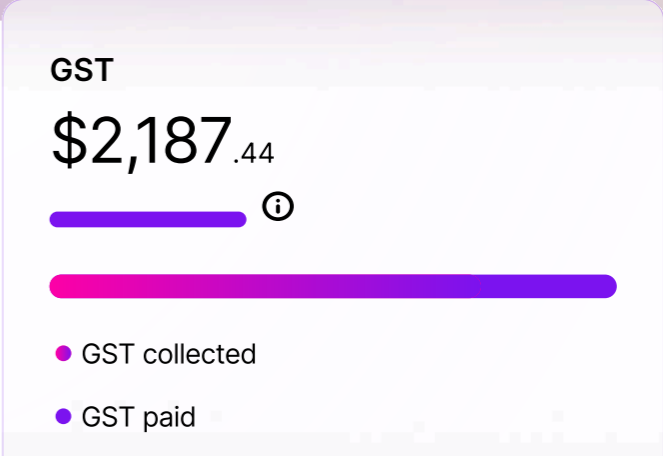

Remove the guesswork from payroll taxes

With payroll alerts, you can avoid costly mistakes. MYOB calculates tax variables like annual leave, entitlements and award rates to help you pay your employees right every time and notifies you if something looks odd.

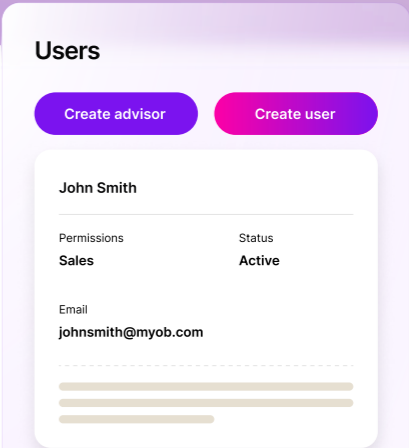

Avoid unexpected GST payments

Tracking your GST can mean the difference between a good year and one to forget. MYOB automatically calculates GST on your sales and purchases, so you'll always know how much to put aside.

Save time collaborating with experts

From your accountant to your business advisor, with MYOB you can invite experts to collaborate with you at no extra cost and remove double-handling of your figures and accounting.

MYOB Business easily connects with your accountant or bookkeeper. Ask them to connect you today or subscribe at myob.com

*The Digital Disconnection Challenge | MYOB Report June 2022.

The MYOB Disconnection research was conducted by SoWhat Market Research from 24th March and 17th April 2022. A nationally representative sample of 2,056 sole traders, small and medium sized businesses across Australia and New Zealand took part in the survey (1,531 in Australia; 525 in New Zealand).
